A Workshop On Hospital Visitation

Venue : Thomson Road Baptist Church

Date and Time: 5th Sept Sat 1330 to 1730 hrs

Organised by Healthcare Christian Fellowship Singapore

Hosted with Thomson Road Baptist Church

"To give cause for the dying man to call you blessed and to make the widow's heart sing"

Our Lord is good and all He does is good. This is the good news we must carry everywhere. But in sickness and desperation there is sometimes a change in receptivity in a man's heart towards God's goodness. It is a privilege to bring good news of peace to those still at war with Him. Let your gentleness be known to all and may the dispensation of truth with great mercy cause the dying man to call you blessed and the widow's heart to sing.

Through instruction and role play, we hope to impart to you some of our experiences as we minister to the sick and suffering.

Do come and join us for an afternoon that we hope will strengthen, encourage and empower you to do this.
