

HEALTHCARE CHRISTIAN FELLOWSHIP INTERNATIONAL TRAINING DEPARTMENT

HCFI TRAINING MINISTRY VISION STATEMENT

We believe that God wants the HCFI Training Team to be effective in training a multiplying army of mature Christians to collaborate in promoting and practicing Biblical Christian Healthcare worldwide. They will be equipped to win people to Christ and live in victory as they unitedly promote the Lordship of Jesus Christ in the hearts of people in HCF and in the Health Field worldwide.

MISSION STATEMENT

HCF staff and leaders, Healthcare staff, local church members and those in Healthcare training institutions have training needs related to prayer, evangelism and discipleship in the Health Field.

We believe the Lord wants HCFI to:

- develop, distribute, present and promote a variety of training materials.
- train trainers to be effective in meeting the above mentioned training needs.

REQUIREMENTS

It is strongly recommended that participants attend the whole period.

As courses are conducted in English, participants must have a good understanding of the language, as well as being able to read and write in English.

ELIGIBILITY

Discipleship Course welcomes all who care for the sick who wish to be equipped to serve the Lord *more effectively* in their working place; those who wish to serve as **Associate or Full-time Staff** with HCF nationally, regionally or internationally. Also those who may have been **serv-ing in HCF**, but did not have the opportunity for training earlier, or would like a refresher course.

Non-health field staff who are concerned for reaching out to the sick, or serve those who care for the sick, are also eligible. **Single topics** may be followed depending on availability of accommodation.
